FOREWORD

We present this book to the school because we realize that the events of our school life, so clear to us now, in the future will grow dim. We feel that it may call back memories of some of the precious moments of student life. If such it can do, its purpose will be fulfilled.

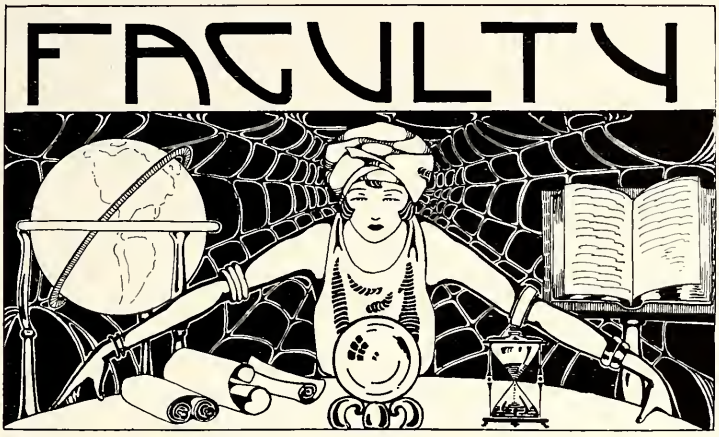
FACULTY



WE introduce one of the best High School Faculties to be found. With slight changes in its membership, this faculty has faithfully served us during the last four years. It may be said of its members that they are ever patient and always helpful in the highest degree. Though they are frequently maligned it must be admitted by all that they are usually in the right.

There has been a marked number of mid-semester changes in the faculty this year. The following instructors have been lost to M. H. S. during the past nine months: B. W. Harter, Lena Smith and Hazel Davis. Those who have filled the vacant positions are: John P. Price, Mrs. Ely and Della Wall.

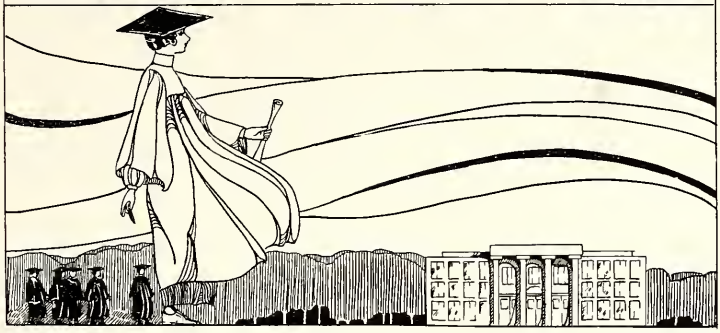
We allude to Hallie Brimacombe, Librarian, who takes care that our sojourn in her domicile does not degenerate from study to amusement; Orpha Jones, director of the cafeteria, who plans and serves the hot stuff each day; and Louise Wirick, clerk, who keeps all our good and bad marks, and also permits us to sign the "In-and-Out" slip.

SENIORS



THE first meeting of the Class of 1924 was held October 24, 1923. During the week following, nominations for offices were made, and on November 1, 1923, the election was held. The officers elected were:

Robert Daniels	President
Elizabeth Millikan	Secretary
Lionel Smith	Treasurer
Mildred Adams	Class Reporter

A re-election was necessary to determine the Vice-President and that office went to Rebecca Brownlee.

In addition to the other class activities, the Seniors planted a tree on the High School lawn. A stone marker was set at the base of the tree, and a can containing the names of all the Class was buried at the roots.

Silver and rose were selected as the class colors and the tea rose was chosen as the class flower. Pins and rings were bought by the class.. The seal used in the border of this book is the same as that engraved on the pins and the rings..

The Juniors

According to custom, the Junior Class was organized after the beginning of the second semester. The class election was held March 21 with the following results:

Robert Caine	President
Robert Dailey	Vice-President
Dorothy Case	Secretary

In the race for the position of treasurer there was a tie between William Miller and Carl Von Brock, and in the contest for class reporter Helen Culp and Kenneth Grinstead received the same number of votes. The ties were later decided in favor of Von Brock for treasurer and Grinstead for class reporter.

April 23 the Junior Class gave a musical program in general assembly. The following students rendered musical numbers: Miriam White, Delyta Van Kirk, Jeanette Sprinkle, Howard McNeil, Carl Von Brock and James Elliott. Dorothy Case gave a reading. The class gave a picnic on Friday of the last week of school.

The Freshman and Sophomores were not organized this year.

ATHLETICS

Coach. Eugene Thomas.

THE Athletic Season of1923-24 has brought many things to Marion High School. It has been one of the most fruitful of all athletic years in the history of the school.

Eugene Thomas, graduate of Indiana University, took up his duties as head coach of Marion High School and athletic director of the Marion City Schools early in September of 1923. In addition to creating good teams in basketball and football, Thomas has re-introduced track as a major sport.

As a usual thing the year in which a new regime in athletics is started, is a year full of trials and tribulations. The record of the past nine months entirely refutes the theory that the first year is always more or less filled with backsets and it usually a year of watchful waiting.

Although Thomas has looked into the future and is training his Freshmen and Sophomores he has not failed to put representative teams into the field. The year of 1924-25 should contain the most brilliant record of athletic achievement in the history of M. H. S. With a working start for a football team and a good nucleus for a basketball team, the prospects for another year are indeed bright.

The athletic program for 1924-25 is stupendous. In addition to the four major sports—football, basketball, baseball, and track, Coach Thomas plans to have cross-country and perhaps tennis. The cross-country meets will be arranged on dates when home football games are to be played, and the finish will be made at Memorial Field a few minutes before the footbal lgames start.

Manager, B. H. Penrod.

MEMORIAL FIELD

A great impetus was added to the movement for better athletics in Marion High School by the construction of Memorial Field. This great athletic plant has secured its name from its dedication to the Grant County soldiers and sailors who lost their lives in the World War.

Agitation for an athletic field was started in the summer of 1923 and ended in the construction of Memorial Field on the school property just west of Washington street on Thirty-Sixth street. Work on the field was hurried in order that it might be dedicated at the first home game with Peru, October 6. The dedication ceremonies were in charge of the Marion chapter of the American Legion. State Commander Ball gave the dedicatory address. The "M" Club acted as field men for the day.

The field is surrounded with a high, strong, wire fence. The bleachers which stretch along the entire south side, give seating facilities for about four thousand people. As the crowds increase, bleachers will be erected along the north side and at both ends of the field. There is parking space for about one thousand automobiles. A flag pole of immense proportions has been erected at the west end of the inclosure. An up-to-date score board which gives results, play by play, was presented by the Grant Trust and Savings Co. A huge memorial archway is to be erected by the South Marion Business Men's Club.

Due to the rapidity with which the field was constructed, the sod was not in good shape for the games and some difficulty was encountered with softness. After the last home game of the season the grid-iron was plowed, leveled and sown to grass seed. Every attempt is being made to have the turf in the best possible condition by next fall. A cinder track is being laid around the grid-iron and is to be completed soon. The total expenditure up to the present for the field has been over four thousand dollars.

The 1924 Football Schedule

If the schedule in played without the loss of a game, arrangements will be made for a Thanksgiving Day game with one of the strongest teams in the state.

THE 1924-25 BASKETBALL SCHEDULE

The schedule of net games is not complete, but the following teams have two games: Warsaw, Newcastle, Anderson, Kokomo, Fairmount, Wabash, Lebanon and Peru. The last two teams are only tentative at the present.

LETTER MEN

The letter sweaters awarded for football were the slip-over V neck type, as usual. The following men received letters in football: Philip Polley, Tom Black, Forrest Clupper, Bill Miller, Ralph Thomas, Robert Flinn, Frank Faunce, Everett Lawson, Robert Chapman, Fred Prail, Albert Barley, Maurice Staton, and Clair Miller.

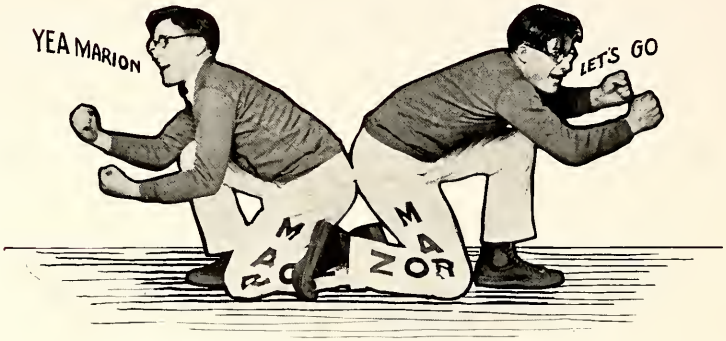
The Basketball sweaters were coat type and were awarded to the following men, Albert Barley, Clyde Boykin, Robert Chapman, "Tim" Murphy, Everett Lawson, Edward Daniels and Frank Faunce.

An innovation in the way of athletic awards was the presentation to the football reserves of reserve letter sweaters. These sweaters were slip-over style, with a V neck also, but they were lighter in weight than the varsity letters and the "M" was put inside a circle. The men who received them were, Albert Faunce, John Koeppen, Edward Daniels, Leornard Weaver, Forrest Hardin, Hal Chasey, Alvin Skinner, and Philip Miller.

TRACK

It has been necessary to devote so much time to the fundamentals of the sport this year that the track squad has not made an exceptional showing. The team has been entered in four meets but has not placed high. There seemed to be a shortage of both dash men and distance runners. Bill Miller has made a good record with the shot put.

Yell Leaders

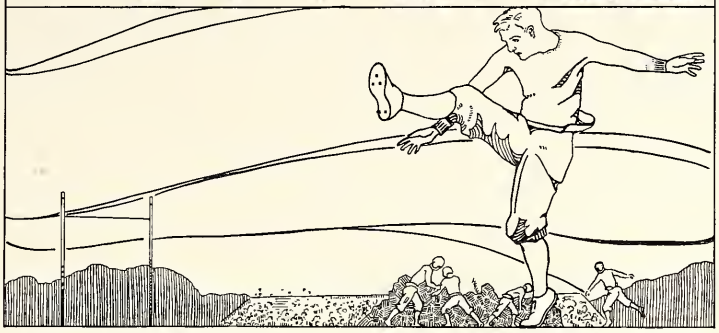


The position of yell leader for the athletic season of 1923-24 was much sought after by both male and female aspirants. During the football season as many as half a dozen hopefuls might be seen trying to get the support of the crowd at one time. One by one these try-outs lost hope or faith and gave up the task. Margaret Snyder, former leader of the Howling Hundred was the best of these yell leaders and she did most of the cheer leading until her graduation in January.

In January, Nick Young and Albert Faunce assumed the positions and filled them the rest of the year. They worked hard and faithfully to make up acrobatic stunts and new ways of leading the cheering. A few weeks before the district tournament they secured white pants with lettering on them and these, helped out by two football reserve sweaters and some spectacles, made up the costumes.

On a whole the cheering for the past year has been good but it can be greatly improved. The yell leaders need better support from the student body. As a possible remedy for the difficulty experinced last fall in the selection of the yell leaders, we suggest a system of try-outs. The most capable applicants for the position could then be selected without its being at the expense of the cheering. The selection could be made either by a committee of representative students, or by the student body through elections. This system is used in most colleges and universities and has proven very successful.

FOOT BALL



First call for football candidates was issued the week before school commenced and fifty uniforms were distributed at this time. Practice began the first day of school. The outlook was not exceedingly bright, for Thomas confronted the task of building an entirely new line from green material . However he was fortunate enough to have a crack backfield to begin with.

The first two weeks were utilized in getting the men into condition and teaching them the fundamentals. The number of candidates soon became smaller, for it took a real man with determination to go through with the lessons in charging, blocking, tackling, handling the ball, and above all, the "goose-walk," a favorite exercise administered for strengthening the leg muscles.

When scrimmage was started every man received careful attention concerning the duties of his position. The spirit of the men was commendable. A practice game was played with Wabash, September 26 and the men got much valuable experience from this fray.

Thursday evening, October 4, the "M" club gave a banquet for the football men in the High School cafeteria. Zora Clevenger, Athletic Director of Indiana University was the speaker of the evening and his talk concerning high ideals and sportsmanship. Fred Prail, a four year man was named captain by Coach Thomas.

PERU 6, MARION 6.

Before an immense crowd, present for the dedication of Memorial Field on October 6, the new Marion team met the experienced squad from Peru. In addition to having a heavier team, the Peru men had the advantage of having played two games previous to the Marion game. The Purple and Gold squad was in

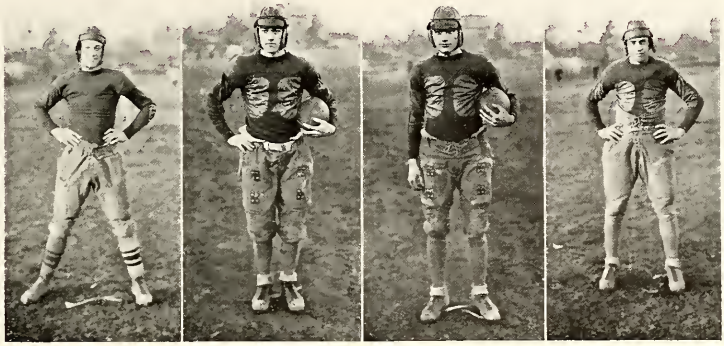
good condition with the exception of Prail who had a bad side. Throughout the first half Marion was on the offensive. At one time the Peru eight-yard line was reached but the ball was lost on downs. As the half ended the ball was on the Peru one foot line but due to delay caused by the noise from the crowd, there was not enough time to push the pigskin across the line.

In the last quarter with the ball on the Peru one yard line, Lawson carried the ball across, but the trial for goal failed. Peru opened up passwork and scored three minutes before the game ended with a tie score.

MARION 6, CLINTON 7.

Clinton came from the coal mines of southern Indiana with a formidable reputation. Marion received the kick-off and after pounding the line over Black and Chapman, and making a couple of end runs, Prail carried the ball across, but the try for goal failed. In the second quarter Clinton missed a field goal try by inches and the half ended with Marion in possession of the ball on the Clinton twenty yard line. Two minutes before the end of the game, the Miners rallied and scored a touchdown and kicked goal, which gave them the game.



W. MILLER

"Bill" played his first year at left end. He smeared many an end run that looked good for the opponents. He snagged forward passes in a capable manner and went down fast under punts. "Bill" has another year.

PRAIL

"Red" called signals from right half position. As the most experienced man on the squad his presence was invaluable. Though frequently injured he always stayed in the game. He had the reputation of being the hardest hitter on the team. This is his fourth and last year.

BARLEY

"Abbie" started the season at quarter but was soon shifted to full-back, where his smashing line plunges and ability to return punts a long distance made him a fixture. As a safety man, he was hard to get around. He will undoubtedly be seen with a college freshman team next year.

LAWSON

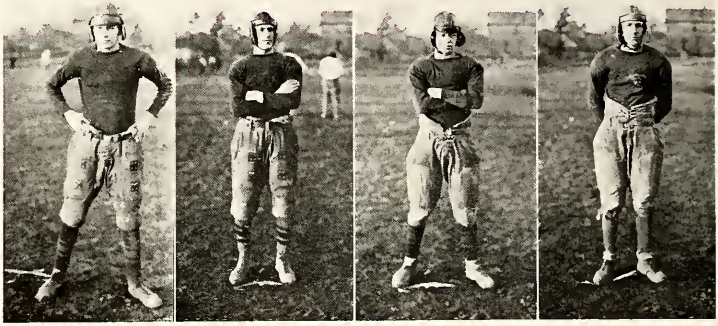
"Kewpie" finished the season at right end and was drawn back from this position to do the punting. He also did most of the drop-kicking. From his wing position he always bothered his enemies by blocking passes and punts.

MARION 0, MUNCIE 22.

Against Muncie a much heavier team, the plucky Marion eleven held its own throughout the first half of a game featured by startling recoveries on the part of the Bearcats. The Muncie backfield fumbled frequently but always recovered in time to save themselves. The half ended 0-0. In the second half Muncie scored 22 points on three touchdowns and one field goal. One touchdown was secured by a line plunge, one by a forward pass, and the last by an intercepted pass. The field goal was a forty yard drop kick. In spite of many attempts to score the breaks were against the Purple and Gold and they were defeated.

MARION 13, SHORTRIDGE 12.

Again the Purple and Gold was up against a much heavier team. The Shortridge line forced the forward wall of the Marion team back till a touchdown was scored in the first quarter entirely by line rushes. In the first minutes of the second quarter the Shortridge grid-men repeated the trick and pushed the



FLINN

"Bob" played the first of the season at right end, then alternated at both ends the rest of the year. He always troubled the opposing offensive by messing plays and breaking up interference. He is lost to the team by graduation.

THOMAS

Though a novice at the beginning of the year, Thomas rapidly gained experience and cinched a berth at right tackle. He became a sure tackler and was exceedingly fast on his feet. He will be invaluable next year.

POLLEY

Another new man, "Phil" held down the right guard position all season. He was strong, a fighter, and never knew when he was beaten. He was stone wall defense and tore gaping holes in the opposing forward wall on offense. He has another year.

BLACK

Without previous football experience, "Tom" developed into the fastest charger on the team. He was light, but aggressive and quick. When a hole in the line was needed he opened it up and he always gave more than he took. He will cause the opponents of M. H. S. great anxiety next year.

---

ball across the line but failed to kick goal. Then in a furious onslaught, the Marion men drove the men in blue back and, after a thirty yard end run, Prail carried the ball across and Faunce added another point with a drop-kick. By a series of well executed forward passes Marion again completely bewildered the capital city boys and scored another touchdown on a pass from Miller to Miller. The half ended before any more playing.

Marion opened the second half with a series of line rushes and passes that again threatened to swamp Shortridge. Due to poor officiating, the quick charging of the Marion line was declared to be off-side plays and the Purple and Gold was penalized again and again, each time in such a way to stop a march for touchdown. With the breaks against them the boys lost heart and Shortridge carried the ball to the two yard line, where with touchdown to make and three downs to do it in, the Marion crew braced and Black recovered the ball on a fumble and the game ended.

C. MILLER

Miller tossed the passes. A sub last year, he produced the stuff this season and gained the position of quarter-back. His accurate hurling of passes paved the way to many touchdowns, and his work on defense was good.

SKINNER

"Skinny" was unfortunate in playing positions that were well filled by larger and more experienced men. Though exceedingly light, he was fast, a good tackler and had a vast supply of nerve. He was a valuable reserve man. He is a senior.

STATON

"Mose" played guard and center and was a valuable man in pinches. He was a scrapper and made Clupper work to keep his position at center.

F. FAUNCE

"Fauncie" was the best man on the team for skirting the wings. Playing left half, his wide, sweeping end runs gained great yardage and many touchdowns for the Purple and Gold. Faunce graduates.

MARION 70, BLUFFTON 0.

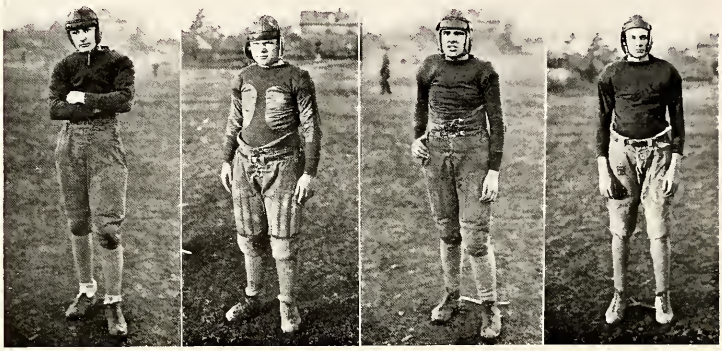
Bluffton was completely outclassed in a game at Memorial Field, which degenerated into a track meet. The Marion score was the largest ever made by a Marion team of late years.

MARION 32, NEWCASTLE 6

Newcastle did not furnish much opposition although Prail could only call signals due to a sprained ankle. The lone touchdown of the Green and White was secured by an intercepted pass.

MARION 18, HUNTINGTON 6.

Before a large crowd of both Marion and Huntington fans, the Purple and Gold downed the Red and Black on the latter's Homecoming Day. In spite of the dampness, Lawson did the best kicking of the season. Lawson kicked off and the ball rolled over the Huntington goal line. Prail had come down fast and he fell on the ball behind the goal line for the first count of the day. The try for goal



KOEPPEN

"Snoop" worked in guard position. He was an aggressive and determined sub, and his fight made him a close contender with the first team men. This is his second and last year on the squad.

CLUPPER

"Clup" filled a gaping hole at center and did it capably. His weight was of incalculable value and his willingness to learn was an asset. There should be little difficulty concerning the center of the line next year with Clupper back in the pivot position.

HARDIN

"Fat" played next to center and his work as a sub guard was very commendable. He was hampered by lack of experience. He graduates.

CHAPMAN

"Ambrose" landed a job at left tackle and was never displaced during the whole season. His great height and long reach were the cause of much misery on the part of opposing guards, tackles and ends. He will be back in the line next year.

failed. After a series of end runs Faunce scored and the kick again was wild. The half ended with Huntington attempting fake plays.

In the second half Huntington advanced the ball to Marion's one yard line and made first down. Marion held for four downs but on the last one a penalty wascalled for off-side and Huntington was given four more downs. On the third they pushed the ball across. Later, a pass from Miller to Prail scored for Marion, and thus ended our most successful season on the grid.

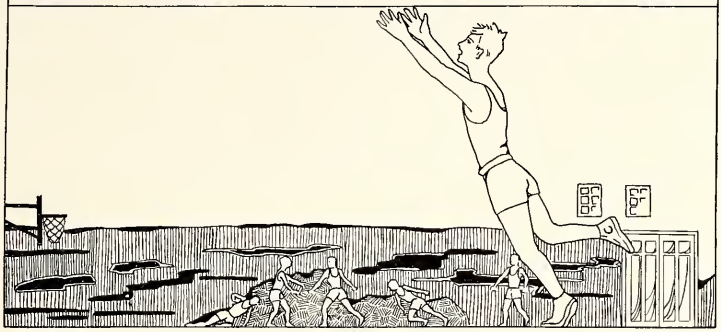
BASKET BALL



WHEN first call for basketball men was issued, a veritable mob of candidates came forth. It was necessary for Coach Thomas to build a team around a nucleus of two experienced varsity men and a number of second string men. It is hard to realize how handicapped the team was by lack of experience. True to his promise, Thomas had a team which fought hard and played clean, though often defeated. Because of the lack of experience among the basketball men, it was necessary for the coach to devote much time to fundamentals.

The season opened with Hartford City playing here, and the large crowd which witnessed the event was pleased to see the locals fight through to a 23 to 17 win. However, this first victory was followed by the loss of games to Newcastle there, Anderson here, Huntington here, and Warsaw here. The Marion lads fought bravely to the end of each game but were unable to cop the bacon.

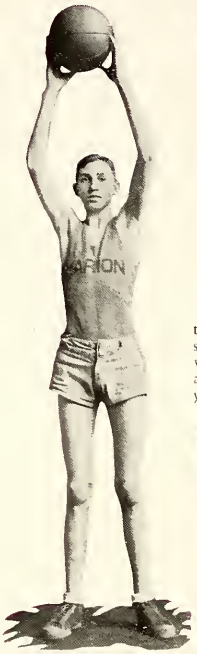
At last, the team braced and defeated Huntington 24 to 17 at Huntington. The game was rough and many fouls were called. This win was followed by revenge on Newcastle to the tune of 31 to 22, on the home hardwood. Marion's lead was held throughout the game.

A heartbreaking game was lost to South Side of Fort Wayne here. After holding the lead up to the last minute, Marion was overcome by a last moment rally and fell, 30 to 26. In a game in which years of rivalry were summed up, Marion lost to Fairmount on the Fairmount court. This was the first defeat received at the hands of Fairmount in four years and feelings were bitter. At Anderson the squad showed great improvement although overwhelmed by the score of 68 to 24.

Marion struck a winning streak and stopped Sweetser here by a 24 to 21 count. Hartford City was again dropped to the tune of 30 to 14. This last win was quite a surprise since the game was played at Hartford. The luck, lasted while Lebanon was dropped on Civic Hall floor 32 to 23.

JOHNSON

"Steve," was a sub forward, though only a Freshman. He started on the second squad, but was soon promoted to the varsity and held his place the rest of the year.



MURPHY

"Charles" was a valuable tip-off man. Toward the latter part of the season, when he got the ball above his head near the basket it was usually good for two points.

LAWSON

"Kewpie," at floor guard, was valuable on the offensive. A great deal depended on the way he came through center after the tip-off. His long shots were frequently effective.

CHAPMAN

Although "Ambrose" was a new and inexperienced man he rapidly developed and was a valuable sub at center.

FAUNCE

Frank played floor guard and the last of the season at forward. He was a good pinch man and often it took his presence on the floor to start the offensive and the defensive.

BARLEY

"Abbie" was the best dribbler and surest shot on the team. On close range shots he seldom missed. One of his favorite stunts was to dribble the entire length of the floor for a field goal.

BOYKIN

Clyde played his second year at forward and was a frequent scorer. He handles the ball well and is a good dribbler. He has a chance to make a record in his next year.

DANIELS

Daniels was the best back-guard we have seen this year. His weight and reach made him a formidable resistance to all offensive tactics of the opponents, and he had an uncanny ability in taking the ball from the back-board.

Warren came to Marion and started the game in a whirlwind fashion. The "Lightnin" Five had the Marion boys in 17 to 2 just before the half ended. A comeback which has never been equalled at Civic Hall was sprung in the second half, and one minute before the end of the game Marion was ahead by one point. At this critical moment, the Marion crew weakened and another basket for Warren won the game for them. Score, 25 to 24.

Another winning streak brought Warsaw down 31 to 23 on the Warsaw floor. Lebanon fell before the same onslaught by a 27 to 25 score. Technical, of Indianapolis was sent home with the small end of a 23 to 21 score. In her attempt to repeat the victory won earlier in the season Fairmount lost a close contested game at Marion by a 30 to 22 score. The Muncie "Bearcats" ran wild on their home floor and won by a score of 65 to 21.

In the return game with Muncie played at Marion the Purple and Gold triumphed over the Purple and White 22 to 11. This final victory was felt to be a great triumph, for although the Muncie team was weakened by sickness, it was the second game they had lost in the season.

The outstanding characteristics of the season was the steady improvement displayed by the team through-out the season. Barley and Faunce are the only men lost by graduation. With Daniels, Chapman, Murphy, Lawson, and Boykin back next year and with the excellent material from this year's second team, the outlook for 1924-25 is promising. One notable feature of this year's reserves was the fact that there were so many freshmen and sophomores making good showings. With the experience secured this year these men should prove exceedingly valuable in the coming years

Middle Row—Chapman, Barley, Boykin, Lawson.
Bottom Row—Chasey, Johnson.

District Tournament

THE 1924 District Tournament, held in Marion, February 29th and March 1st, was the largest tournament ever held in the city, notwithstanding the fact that there was a smaller number of teams in the district than ever before. All the games, with the exception of one, were close and the officiating was excellent.

Marion defeated Jonesboro 21 to 11, Sweetser 30 to 19, and Swayzee 20 to 15, all on Saturday. The tournament had two upsets, games 2 and 6. The heavy "Blue Devils" of Van Buren gave the dope bucket the first wallop by stopping Fairmount and then Swayzee put the finishing touches to the pail and defeated Van Buren.

FORT WAYNE REGIONAL

It looked as if Marion had a ticket to the finals at Indianapolis, when the day after the District Tournament, she was overtaken with plague and pestilence. Boykin contracted mumps and Chapman was laid up with a bad case of tonsilitis. Coach Thomas worked hard to get subs in shape for the contest and put Faunce in Boykin's place. The team was not disheartened by this bad luck and proved the matter conclusively by cooling Warsaw's ardor with a score of 22 to 17.

The second opponent of the day, North Manchester, was a team of greater strength, having lost only one game during the playing season. Notwithstanding this fact, the Purple and Gold warriors battled the Manchester men to a standstill up till the last few minutes of play, when the superior strength of the up-staters told. Barley made the best showing of the year in this game and won much comment from the spectators. The men used teamwork and their fight lasted till the gun cracked.

Against all predictions and under great handicap, Marion went farther this year than any other team in recent years with the exception of the "Wonder Five" in 1922.

SECOND BASKETBALL TEAM

Top Row—Lewis, Overman, Pribble (coach), Kilgore, Heck.
Middle Row—Polley, Ballinger, Custer, Skinner, Miller.
Bottom Row—Boykin, Fraser.

Marion High School Reserves

IT is impossible to give the second team in any sport too much credit. The members of the second team gave the varsity stiff opposition in practice and they forced the first stringers to keep on the jump every moment in order to hold their positions. About all that the reserves get out of their work is hard knocks and experience. Contrary to expectation, the basketball second team did not receive reserve letter sweaters as did the reserve football men. However, their work was just as hard and faithful.

The line-up of the second team was not stable this year since men were being constantly removed to go on to the varsity, and their places were rapidly filled by new men. A number of Freshmen played on the team and only Miller, Skinner and Lewis graduate. The squad was under the coaching of Clifford Pribble, assistant coach.

During the season nine games were won and seven lost. They were defeated by Rock Creek first team, and won from the first teams of LaFontaine, Monument City, Gas City and Lincolnville. The Gas City varsity was overwhelmed 31 to 14 on the Gas City court

The squad at the end of the season consisted of Skinner, Miller, Overman, Heck, Lewis, Polley, Boykin, Ballinger, Custer, Fraser, and Kilgore. Skinner, Overman, Heck, Boykin and Fraser were forwards. Any combination of these men proved effective and their work in going down and getting under the basket was fast. Polley at back-guard always "crocked" the opposition when they got within the foul line. Lewis and Miller alternated at center, and there was not much choice between these pivot men. In the floor position Ballinger looked good.

ACTIVITIES

PUBLICATIONS

FOR many years the publication of student newspapers and annual books has been an important form of activity in schools of all sizes. In addition to the amusement gained from the work entailed in publishing, the students obtain valuable experience in business methods and in writing. These publications are valuable as an expression of student opinion, as well as for the good influence they may wield over the student body.

The first Marion High School newspaper was published during the school season of 1913-1914, when a paper called *The Survey* replaced the old magazine form of publication. *The Survey* has beeen published every year since its establishment. This season has been the tenth year. The year 1919 saw the magazine, *The Journal*, and later of *The Survey*, were wont to publish extra issues at the end of the year, sometimes real annuals. The year 1919 saw the establishment of *The Cactus* as a year book to be published every year by a staff different from that of *The Survey*. This edition of *The Cactus* is volume six.

Both the *Cactus* and *Survey* staffs are looking ahead to the time when the possession of a linotype machine and a cylinder press in the High School print shop will greatly facilitate the edition of both newspaper and annual.

The Survey

"EVERY student enrolled in the Marion school today is poor stuff indeed if he he does not experience, now and then, a thrill of pride because he is a part of such a large and efficient school. Ours is a splendid school and we should be proud of it, but no institution can stand still. It must show a steady development and there are some points where Marion High needs to grow better. *The Survey*, dreaming of a Greater Marion High, asks the student body to assist in putting across a campaign in which our platform is "Higher Scholarship, Better Attendance and Greater Civic Pride' in our school and grounds."

With these words, the first issue of the 1923-24 *Survey* expressed its desire for the betterment of Marion High. Every issue since has in some way kept the platform before us. What student does not feel greater pride in Marion High School because of such a slogan? There can be little doubt that this platform of "Higher Scholarship, Better Attendance and Greater Civic Pride" has had a great influence for the betterment of the school on both the faculty and the student body.

The Survey staff is to be commended for the fact that every issue of the paper has increased in popularity. Such a statement speaks for itself. Toward the last of the year the demand was always greater than the supply and many a student, who was a little late, has had to go without his *Survey*.

The Survey has been under the editorship of Dortha Butz this year. With the aid of a competent staff she has packed every issue full of interesting news. A glance at the staff shows many reasons for such a good paper.

In connection with *The Survey*, at the request of Principal John W. "Priscilla" Operetta

The music department of Marion High school presented the operetta "Priscilla", November 26, 1923.

The cast was composed of:

Priscilla	Lela Simcoke
John Alden	Elkanah Hulley
Miles Standish	Leslie Myers
Governor Bradford	Harwood Badger
Hatebad Higgins	Harrold Moore
Faith	Rebecca Snyder
Barbara	Martha Eastman
Prudence	Adeline Mart

Puritan maidens and soldiers were also in the cast.

The spectators were carried back to the days of the Puritans and the well-known romance of John Alden and Priscilla by the realistic presentation of the cast. The music department is to be commended for the part it has taken in adding to the prestige of Marion High School.

The high school orchestra played for the operetta and members of the glee clubs acted as ushers.

Bottom Row—Van Kirk, Lutz, Snyder, Mart, Badger, Eastman, Myers, Sprinkle, Moore, Black, Black, Simcoke.

Glee Clubs

THE Boy's and Girl's glee clubs have given several good performances before the student body this year, but their most notable activity was in the operetta, "Priscilla".

April 21st the Girl's glee club gave a concert which was well attended. The costume songs were one of the specialties of the evening. The Boy's Glee Club gave a similar concert May 2nd.

Connected with the music department, is the musical appreciation class of the High School. This class gave a series of five free concerts, based on the state music memory list. These programs were received with enthusiasm by music lovers of the city.

Orchestra

Although the orchestra was composed of new material this year it has progressed rapidly and the high school can justly be proud of it. It will provide good material for the future, since most of the members are undergraduates. The orchestra furnished music for the two plays of the Dramatic Club, "Upon the Waters" and "The Trysting Place," and also the Senior Class plays, "The Wren" and "Seventeen."

Music Memory Contest

Among other activities in which Marion High School has shown her worth, is the Music Memory Contest. This contest, which is conducted by the state, is to bring about a better knowledge of and to inspire a greater love for good music.

The county meet was held March 10 at Marion High School, with six teams competing. The team representing M. H. S. composed of Martha Houser, Rebecca Brownlee, and June Morris won first place. At the district contest held March 18 this team again carried off the honors after competing against nine other teams. Martha Houser, having the highest grade, was the district representative in the state contest held at Bloomingon. Although defeated in the finals her showing was very credible.

"THE WREN"

"The Wren"

IN the midst of the excitement of the beginning of a new term, rumors began circulating about the first of the two annual Senior plays which are always the biggest events in the Senior calendar. Clever posters were to be seen everywhere, reminding us that, the first of the usual two plays, was to be "The Wren." These posters were rather a puzzle though, for what relation did the exquisitely-gowned girl of the posters have to do with the modest little "Wren?"

On February 12, after a day of great expectancy, the hour finally arrived for the curtain to rise. A larger audience never witnessed a Senior play given at Marion High School. A period of three hours convinced the crowd that a better Senior play had never been given by any graduating class in the recent history of M. H. S.

The cast was wisely chosen. The members fitted the roles that they played, and they all showed results of well-directed rehearsing. The coaching was done by Miss Churchman, a member of the Faculty.

Mrs. Julia Dana (Mildred Harvey) was the mother of a soldier (Bob Daniels) and of the "Wren" (Frances Webster). Miss Harvey interpreted well the difficult role of the southern widow who is about to lose her old homestead. The part of the negro mammy, taken by Adeline Mart, was exceedingly well played and added much fun to the performance. The roles of the two wealthy mothers, Mrs. Fordston (Irene Renbarger) mother of Corrine (Martha Lester), and Mrs. Greenston (Betty Millikan) mother of Reggie Greenston (Robert Shira), were capably portrayed.

The hero, Rodney Blake Jr., (Nathan Searles) was a progressive, wealthy, young business man. Rodney Jr. was the adopted son of Rodney Blake Sr. (Lionel Smith) and Mrs. Blake (Mildred Adams). Lionel Smith is a master in the art of interpreting the part of the abrupt, blustering father who is entirely out of sympathy with the younger generation.

The other roles, Sarah Woodston (Marjorie Perkins) and Donald Drew (Theodore Iliff), both friends of the "Wren" and her brother, the maid, Binkie (Edith Tobiason) and Judge Gray (John Koeppen) were all interpreted without flaw.

The business end of the play was handled by Frank Knight. Much credit is due to Frank from the fact that the play was the most successful financially of any play ever presented by the High School. The net profits were turned over to the Library Fund, in accordance with the usual custom.

The back stage work was done by Ralph Thomas, who changed scenery, and Dick Trueblood, property man.

THE DRAMATIC CLUB

Top Row—Bader, Harvey, Perkins, Pope, Young, Daniels, Smith, Koeppen, Webster, Johnson, Slusser.
Middle Row—Trueblood, Priest, Brownlee, King, Mart, Kinnear, Shira, Tobiason, Beard, Headington, Millikan, Searles.
Bottom Row—Dolan, Adams, Burge, Schaumleffel, Wilson, Ellsworth, Kinder.

Dramatic Club

THE Dramatic Club has been one of the most successful and active organizations of the school. It was organized last fall, and the members of the English 7 classes were privileged to be charter members. Other candidates for admission were tried out from time to time in short plays.

The officers elected were: Adeline Mart, President; Margaret Kinnear, Vice-President; Bob Shira, Treasurer; and Kathleen King, Secretary. Martha Lester was named chairman of the Program Committee and Loraine Wilson chairman of the Publicity Committee.

A playlet entitled "Romantic Molly" was given by the candidates for admission to the club, Mildred Harvey, Betty Bader, Elsie Dolan, John Koeppen and Nathan Searles, on November 27th. After the play, a Thanksgiving luncheon was served and each member was called upon to display his or her dramatic ability by a short speech.

At Christmas time the dramatists presented before the school a one one-act play entitled, "Upon the Waters." The members of the cast were Kathleen King, Lionel Smith, John Koeppen, Elsie Dolan, Adeline Mart and Martha Lester.

On February 21st, the dramatists celebrated George Washington's birthday with a party in which the members emulated the elite of the eighteenth century in costume and manners. A short program of music was given.

A hard times party was given by the club on March 17th at the home of Pauline Priest. During the evening the hoboes enjoyed many stunts put on by various members of the club and ended up the party with refreshments appropriate to St. Patrick's day.

"The Trysting Place," a one-act play by Booth Tarkington, was presented in general assembly by the Dramatic Club on March 26th. The student body enjoyed the play very much, as their hearty applause indicated. The cast included Elsie Dolan, Dick Trueblood, Harrold Moore, Helen Schaumleffel, John Koeppen, Nathan Searles and Kathleen King, all of whom entered into the spirit of the travesty on Modern Youth.

On April 8th a party was given at the High School, at which a short play entitled "Loves Diplomacy" was presented as tryout. Miriam Seegar, Robert Caine, Robert Flinn, and Betty Bell were admitted to the club on the strength of their performance.

Besides giving pleasure to the student body, and both practice and enjoyment to its members, The Dramatic Club has proven a training school for Senior plays.

M

The Commercial Club

THE Commercial Department has long felt the need for some sort of an organization and this year it materalized in the Commercial Club. The club was rather late in getting organized but it made up for lost time by its activities. The officers chosen were: Darl Nail, President; Aubrey Irwin, Vice-President; Bernice Bowman, Secretary and Reporter; Anna Noviski, Treasurer. Committees for drawing up the constitution and by-laws, Membership Committee, and Program Committee were also chosen. The meetings were arranged for the second and fourth Thursdays of every month.

At the beginning of the new semester new officers were elected. These were: President, Clarence Stuber; Vice-President, Delores McCoy; Secretary and Reporter, Marjorie Perkins; Treasurer, Catherine Morris.

The big party of the season was given March 27th. After games and contests were held and prizes won, all adjourned to the cafeteria where refreshments were served.

The Commercial Club did much to sponsor the district contest in typewriting and shorthand, which was held on April 26th.

HI - Y CLUB

Top Row—Trueblood, Searles, Mellis, Smith (Faculty Advisor), Bishopp, Polley, Daniels, Daniels, Miller, Caine, Boxell, Clupper.
Middle Row—Kinnear, Morrow, Powell, Ballinger, Nall, Charles, Buhler, Ballinger, Young, Bish, Pope, Koeppen.
Bottom Row—Shira, Prickett, Kennedy, Sage, Renbarger, Wright, Sutton, Von Brock.

The Girl Reserves

Do you realize that the Marion Girl Reserves are members of an organization of one hundred and seventy-seven thousand members whose slogan is, "To face life squarely," and whose purpose is "To find and give the best"?

To every member, the Club means hikes, campfires at the end of a real day of camp, songs, true friendship, except by putting her whole heart and soul into Girl Reserve activities.

At the beginning of the year the following officers were elected,

Margaret Snyder	President
Frances Webster	Vice-President
Dorothy Case	Secretary
Kathleen King	Treasurer

With the graduation of Margaret Snyder in January, Frances Webster succeeded to the office of president and a new vice-president, Mildred Harvey, was elected.

Programs were planned for the entire year that would best interpret the four phases of Girl Reserve life, namely: Health, Knowledge, Service and Spirit. Some of the most interesting meetings of the year were "The Three F's in health: Food, Feet and Fun": discussion on "A School Girl's Wardrobe"; a Christmas program; and a health play entitled "Fun or Blues? Which?" A Christmas party was given for the poor kiddies of the city and May baskets were filled and taken to the Old Ladies Home. As money schemes, the girls put on a Karnival and a "Trip Around the World," both of which proved successful. The activities named include only a part of the year's work.

One week, which will always be remembered, was Mother's week. Every day of the week each girl did something out-of-the-way for her mother. A special meeting was enjoyed by both mothers and daughters. The week ended with the annual Mother and Daughter Banquet, and Mother's Day on Sunday which is always recognized by the churches.

Another great event of the year which is anticipated by every Girl Reserve is the Summer Conference. Though only a few girls can attend this conference, the lucky few bring back enough inspiration and new enthusiasm to last the club for a year.

The Charles Alvin Ballinger Prize

Miss J. Marie Ballinger, of the Marion High School faculty, has offered an annual prize consisting of the year's interest from one hundred dollars, to the Senior who has made the highest average in mathematics in high school.

This prize is given in honor of Miss Ballinger's brother, Charles Alvin Ballinger, who was intensely interested in education before his death in March of this year. The quailfications are as follows: the student must have done all his high school work in Marion High School; he must have taken three terms of algebra and three terms of geometry; and he must never have failed in any subject. The award will be based on high scholarship. The prize will be presented on Commencement night.

The State Latin Contest

The State Latin Contest was held again in the spring of 1924. The contest assumed enormous proportions this year. In their respective schools and classes there were eight thousand students who won first places in local contests. There were fifty-two contestants at the finals.

In the county meet, held at Marion, there were seven schools, Van Buren, Jonesboro, Gas City, Swayzee, Sweetser, Fairmount and Marion. The Marion High School contestants won four firsts in the four divisions of county. In the district meet, held at Peru, there were sixteen schools represented. Marion students won first places in divisions II and IV. There were fifty-two schools entered at the state meet held at Bloomington, but the Marion representatives did not place.

District Commercial Contest

The district commercial contest was held at Marion High School Saturday April 26. There were five divisions.

1. Novice Typewriting, won by Marion High School.
2. Beginning Shorthand, won by Fairmount High School.
3. Amateur Typewriting, won by Marion High School.
4. Advanced Shorthand, won by Marion High School.
5. Penmanship, won by Verlin Renbarger of Marion High School.

By winning the most points the Marion High School Contestants won the pennant that was presented.

The Novice Typewriting team was composed of Jennie Troyer, Eva Liepse, and Loraine Wilson. The Beginning Shorthand team was composed of Margaret Camblin, Marion Colling and Theodore Wilson. The members of the Amateur Typewriting team were Jennie Watts, Aileen Howell, and Gwendolyn Barrows. The Advanced Shorthand team was Catherine Morris, Mildred Wilcox, and Bernice Bowman. The Penmanship team was Verlin Renbarger, Robert Kells, and Catherine Morris.

There were eight high schools besides Marion represented. Bluffton, Dunkirk, Montpelier, Fairmount, Wabash, Windfall, Hartford City, and Jonesboro.

May 9 the state contest was held at Muncie at the State Normal School. All the Marion winners were entered.

The Hi-Y Club

THE Marion Hi-Y Club is one chapter of a national organization of High School boys, sponsored by the Young Men's Christian Association. Though the Hi-Y Club has been organized in Marion High School for a number of years, it has been more active this year than ever before.

The purpose of the organization is "To create, maintain and extend, through the school and community, high standards of Christian Character." The four planks of the Hi-Y platform are: Clean Speech, Clean Scholarship, Clean Athletics and Clean Living.

The officers for the first semester of 1923-24 were:

Robert Daniels	President
Nathan Searles	Vice-President
Robert Flinn	Secretary
Nicholas Young	Treasurer
Mark Ballinger	Treasurer

The officers for the second semester were:

Darl Nall	President
Gordon Buhler	Vice-President
Robert Charles	Secretary
Mark Ballinger	Treasurer

Club meetings are held on Tuesday of each week. The program is:

6:15—Banquet (The custom of having supper every Tuesday has been discontinued and banquet meetings are special.)

7:00—Speaker of the evening.

7:30—Bible discussion led by Rev. Martin L. Grant of the Temple Congregational Church.

The following speakers have made talks at Hi-Y meetings: Rev. Flemming, Mr. Allen Messick, Rev. Rice of Detroit, Prin. John W. Kendall, Rev. Ellsworth, Mr. Mitchell Jones, Supt. Elbert E. Day, Mr. J. W. Harvey and Mr. E. S. Kinnear.

In the fall of 1923 the club gave a Hallowe'en Party at the Boy Scout Camp, east of Jonesboro. Aside from the smoke, this party was a success. A Faculty Banquet was held in the High School Cafeteria near Christmas time. March 28th a Hi-Y-Girl Reserve Party was held at the Y. W. C. A. On May 6th was the Mother and Son Banquet, which was the last big social meeting of the year.

The membership has been greatly increased during the last semester. The roll-call now contains forty-three names. With this increase in members the club should "carry on" to greater and better things in the years to come, for only a few graduate.

GIRL RESERVES

Senior Kid Party

THE Senior Class held a "Kid" party at the High School Auditorium, on April 15th. When the "children" first arrived, a program was given for them consisting of a piano solo by Mildred Harvey, a violin solo by Irene Renbarger, and a dialogue by Darl Nall and Nick Young called "Joshing the Janitor."

After the program, "kid" games were played in the gymnasium, such as "Three Deep" and "Drop the Handkerchief." The prizes for the best costumes were prsented at this time to Betty Bader, Betty Millikan, James Wilson, and Bob Daniels.

Later, refreshments dear to childish hearts, ice cream coner and chocolate teddy bears, were served in the cafeteria.

Mathematics Club

The future Euclids decided that "in union there is strength" and so the Mathematics Club, supervised by Mr. Penrod and Mr. Pribble, was formed. A constitution was drawn up and adopted and all those taking Algebra 3, Geometry, or Trigonometry were eligible.

The officers elected were: Royden Butterfield, President; Andrew Powell, Vice-Prsident; Clarence Foust, Secretary and Treasurer; Helen Culp, Reporter.

Meetings were held the first and third Thursdays of each month, and parties were given at the school.

National Oratorical Contest

A great deal of interest has been aroused this year in Marion High School by the National Oratorical Contest. The contest was originated by the National Bar Association, to stimulate greater interest in the Constitution among the high school students of the United States. It was sponsored in Indiana by the Indianapolis News, which spent around $10,000 for prizes, to create more interest and competition in the state. The large number of Indiana High Schools which were entered should make the sponsors well satisfied with their efforts.

Indiana was divided into districts and territories, with the final contest at Indianapolis. The states were grouped into zones and the zone winners received trips to Washington, D. C., to give their speeches before the President of the United States with the supreme Court as judges.

The local elimination was held on March 25th in our auditorium before a generala general assembly. The entries were: Adeline Mart, Margaret Lan-

gan, Edwin Pope, Ruby Knipp, Vernona Lees and Verla Dicken. Adeline Mart was given first place.

She next competed in the district contest, held at Marion High School, March 28th, where she won again. There were three high schools represented —Van Buren, Swayzee and Marion. The district judges were Mr. Oren Dickey, a Marion attorney, Mrs. McAninch, from Marion College and Prof. Coughlin, of Kokomo. Miss Mart won a prize of $50, which was offered to every district winner in the state.

April 11th, in the territorial contest held at Newcastle, the Marion contestant was again successful and eliminated the representatives from Newcastle, Greenfield, Anderson, Lawrence and Muncie.

In the State finals at Indianapolis, April 19th, there were six schools represented—Marion, Kokomo, Auburn, Martinsville, Evansville and Jamestown. The representative from Martinsville was given first place and the Kokomo representative received second place. Though Miss Mart did not get first place, her showing was good. The many Marion people who heard the contest felt that the standards of judging were decidedly peculiar. We may well be proud to be one of the six schools represented at Indianapolis. There is little doubt that the Oratorical Contest has been a noteworthy success. It has caused much valuable research on the Constitution by students, in addition to the public speaking exercises.

The Discussion League

THE Annual High School Discussion League Contest was held in the general assembly of the Marion High School students toward the latter part of March. The subject chosen for the discussion this year was "A World Peace Plan"' which is a subject of world wide interest today.

The plans, subject and material for these contests are furnished by Indiana University every year. All high school students are eligible to participate and all are greatly encouraged to enter, especially the Public Speaking classes.

There were just three entrants this year: Verla Dicken, Kenneth Grinstead and James Wilson: All plans were well presented and showed evidence of much hard work and time spent in the details necessary to perfect a peace plan.

James Wilson was the first speaker, Verla Dicken second and Kenneth Grinstead third. The judges decided in favor of Verla Dicken, who was entitled to enter the county contest.

Sweetser, the only other competitor for the County Championship, was the winner and earned the right to enter the district meet at Wabash. Though Sweetser did not win at Wabash, it may be noted that the winner theer was also the winner in the State finals at Indiana University.

M

Vocational Agriculture Department

SINCE its establishment in Marion High School our vocational Agriculture Department has grown in size and importance every year. The present enrollment of thirty-six is the largest that the class has ever had.

In connection with their school work the boys have been interested in clubs as usual. There were five of these clubs this year, Potato, Poultry, Pig, Bee and Corn. There will be an addition of two new clubs next year, the Lamb club and the Ton Litter club. The latter is in connection with the Pig club. Three members of this year's Corn Club entered the Five Acre Corn Contest sponsored by the Indiana Corn Grower's Association. Russel Farley with a yield of ninety-one bushels per acre (the largest yield in Grant County) and Hubert Drook with a yield of eighty-six bushels per acre both won silver medals. Hal Chasey with a yield of eighty-three bushels per acre won a bronze medal.

The class has the use of eight acres of school land on west Thirty-Sixth street for its projects. In addition to two gardens on the plot the members have a pen of a dozen English Leghorns from a high egg laying strain. The eggs from this pen have been used for hatching purposes.

The Fifth Annual Egg Show was held at the High School, April 30 and May 1. More than forty dozens of eggs were entered. One week later the club journeyed to Purdue University to the Round-up, May 6 to 9. This year's corn judging team at the Round-up consisted of Edgar Clanin, Chester Stuber, Hubert Drook and Hal Chasey. The club presented a playlet written by Mr. Crane entitled "A Class In Corn Judging." Everyone who goes to the Round-up looks forward with great expectancy to the plays presented by the M. H. S. delegation.

FRANK KNIGHT

Frank is another student of whom Marion High School is proud. By his hard work he has graduated in three and one half years. This year in addition to his Survey work, Frank took first place in Class III in the State Latin Contest in county and district meets. Such a record is in itself a recommendation of his ability as a student.

IRENE PICKARD

To Irene Pickard goes the credit for all of the art work in this book. Her talent as an artist is outstanding. During the last three years she has done a great part of the designing for the books, but this year all the work is hers. The school is deeply indebted to her.

ADELINE MART

Adeline Mart has brought fame to M. H. S. more than one time. In her freshman year she won the county declamatory contest. In her Senior year she won the district and territorial contest in the National Oratory contest. During her four years in Marion High School she has been affiliated with nearly every organization of the school. She was president of the Dramatic Club and took prominent parts in both Senior Plays. She well deserves the name of "Most Popular Girl."

MARY JAMES

Mary James is one of the most consistent, as well as one of the best students in Marion High School. Though never loud spoken, her scholarship has always been excellent. She was seldom found with lessons unprepared. In the State Latin Contest her showing was merely a continuation of her good work. In Class IV she won first in the local, county, and district meets. She has been a credit to Marion High School.

WHY THE SPIDER WAS THERE

When Mark Twain in his early days was editor of a Missouri newspaper, a superstitious subscriber wrote him saying that he had found a spider in his paper and asked him if that were good or bad luck. The humorist wrote him this letter and printed it:

"Old Subscriber—Finding a spider in your paper was neither good nor bad luck for you. The spider was merely looking over our paper to see which store was not advertising, so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

BOTH WRONG

Last summer two travelers were on a train going to Chicago. As the train drew up to a station, one of the travelers opened a window and drawing a breath of fresh air turned to his companion and said, "Isn't this salubrious?"

"Yes," replied his friend, "I think it's exhilarating."

Leslie Myers (who was sitting in the next seat)—"Beg. pardon, you're both wrong; It's Kalamazoo."

TOUCHDOWN!

THE CRASH of the lines—the halfback knifes through—the goal posts beckon—but tacklers threaten still.

That's the time for interference—for the diving smash that crumples the would-be tackler, and clears the field for the flashing runner with the ball. The stands rock with the shout of victory. Touchdown!

Election to the annual staff is only reaching the line of scrimmage. Your task has just begun. Burly figures stud the field to trip you, smother you, drag you down. Problems, tangles, discouragements! —but the goal can be reached—if you have good interference.

That's our job. You take the ball—we'll take out the tacklers. And we'll stay with you till the last white line is crossed and the crowd is hitching your name to a booming skyrocket.

Put Stafford on the team. Call 'em, quarterback Let's go.

DROWSY

The day was drawing to a close. Judge, jurors, lawyers and witnesses, all were growing weary. The counsel for the prosecution was cross examining the defendent, an old darky.

"Exactly how far is it between the two towns?"

" 'Bout fo' miles as the cry flows," came the answer

"You mean as the flow cries," corrected the man at law.

The judge leaned forward. "No," he remarked slowly, "he means as the fly crows"

Then they all looked at each other, feeling that something was wrong somewhere.

TERRIBLE CURIOSITY

NATIONAL PROGRESS

Among the greatest of Institutions, for the perpetuation of our great Government, is about to turn out its annual product of thinking men and women, who will guide the future destinies of our Home Land to that sphere of honest effort and integrity far beyond our anticipation. Among such learned students we will find no demagogues or radicals, and such developed brains are bound to leave the world better by their having been exercised in its behalf.

"Well." replied Pat, "if he comes back as fast as he went he'll be back yesterday."
